Re: Approval of Work Plan & Cost Proposal for Task Orders **173RA-6**
Glen Alpine Dump
Morganton, Burke County, North Carolina
ID# NONCD0000173

Dear Mr. Raymond:

The Division of Waste Management, Superfund Section, Pre-Regulatory Landfill Unit has reviewed S&ME's **Work Plan & Cost Proposal** for Glen Alpine Dump Task Orders **173RA-6**. Based on that review, the *Work Plan & Cost Proposal* for the Task Order in the amount of **\$37,478.40** are approved. This letter serves as notification of the approval and as authorization to proceed with activities associated with the work.

While the total expense on the invoice cannot exceed the amount approved, individual task components within this task approval may vary. Any increase in cost to this scope of work must be approved prior to implementation. A task order addendum must be requested to cover an additional scope of work or unforeseen site circumstances. Notify me immediately and request additional funds to cover eligible and reasonable costs. Cost of additional work conducted without approval will be ineligible for payment.

If you have any question, please feel free to call me. Thanks.

Sincerely,

Zi-Qiang Chen, PhD, Environmental Engineer, II
Division of Waste Management, NCDENR
